

# NOTICE: REFUSAL OF VACCINE FOR CAUSE

**I know that vaccines kill hundreds of thousands  
of people every year.**

**I am aware of reports that vaccine experiments have caused  
hundreds of millions of cases of sterilization, polio, autism,  
and other diseases and injuries globally.**

**I know that vaccines are so hazardous that the vaccine industry  
received immunity from the harm vaccines are causing.**

**I know that the U.S. Government paid billions of dollars to families  
whose members were injured or killed by vaccines.**

I do not know what is in your vaccine  
and I do not believe your vaccine is safe.

I know that many vaccines have been found to contain  
toxic adjuvants and toxic foreign materials.

I know that toxic contamination is present in vaccines,  
which are easily preventable with current technology.  
This suggests intentional contamination of vaccines with toxic agents.

I know that many vaccines are not effective and actually cause  
the ailment they are purported to mitigate.

I know that adjuvants are put into vaccines to “shock”  
the immune system into extreme response, and that causes biological

“crisis”, stress and damage to the immune system,  
the blood and the whole body.

I know that vaccine death and injury statistics and information are  
suppressed by media, which receive billions of dollars  
in pharma advertising annually.

I know that vaccine death and injury statistics and information  
are suppressed by government in which pharmaceutical regulatory  
agencies are largely run and controlled by pharma industry executives,  
loyalists and lobbyists.

I do not trust the vaccine industry, government agencies, or international  
agencies, which act on behalf of vaccine sales and  
promotion, and who suppress information of vaccine hazards.

**I know that most vaccines have not been tested or proven safe.**

I know that under current law all physicians and healthcare workers  
must have my consent to administer medicine to me.  
My consent is hereby denied and refused.

I know that if someone is not a doctor, such as an elected official  
or bureaucrat, he/she may not administer medicine at all,  
much less “mandate” medical treatments for the general population.

I know it is possible to mitigate and control all contagious diseases  
with safer and more effective means than vaccination.

**Anyone who claims privilege to inject materials in my body without  
my consent is my enemy and is criminal.**

**I will treat anyone who threatens to violate my body  
as a criminal assailant.**

No, you may not vaccinate me or my children. If you try, I will exercise my right to self-defense against you and your accomplices to any extent I deem necessary to protect ourselves.

Forced vaccination is not authorized or permitted under Founding Law. If there is a code or statutory "mandate" for forced medication, it is unconstitutional, unlawful and unenforceable.

You may not attempt or threaten non-consensual vaccination, and if you do, you will be dealt with in a manner to restore Rule of Law, justice, and to protect my right to personal physical security.

Your ignorance of vaccine hazards and medical rights and your inability to understand the facts above does not give you any immunity or any license to commit the crime of forced non-consensual medication.

Can you name every ingredient of your vaccine? Presumably not.

Can you predict the physical effects of each of those ingredients? No.

Can you predict the consequences of combining those ingredients? No.

Have you offered to personally take full responsibility to pay for any harm your vaccine causes? No.

**Therefore you do not have the slightest authority or privilege to forcibly administer vaccines.**

If you fail to immediately cease all threat of vaccination against me and my family, I cannot assure your safety.
